## Country Club of Jackson 2019 Tennis Program and Staff

We are extremely excited about the upcoming season. Tennis, as you know, is one of the most important country club sports. For many of us, it is a lifetime sport.

In 2016 we had our hard courts resurfaced, so they are now the best courts in Jackson County. Since they were resurfaced we have seen a dramatic upturn in court usage.

When they were resurfaced, we added lines for pickleball, and we have seen a significant amount of play. We expect even more growth this summer.

The United States Tennis Association has developed the special programs that our Club is using to introduce kids to tennis - particularly ten and under kids. For those kids we have larger, softer balls that are easier to hit and smaller courts.

We have lots of programs to meet anyone's needs. To register for a program or to get private lessons, just contact Connor Mogle (517-358-0347 or [connormogle@yahoo.com](mailto:connormogle@yahoo.com)) or Elizabeth Spencer (517-769-5032 or [elizabethspencer@myjacs.org](mailto:elizabethspencer@myjacs.org)).

Connor Mogle, our Head Tennis Professional this summer, is the grandson of Club member Bill Mogle. This past year Connor attended Spring Arbor University where he plans to major in accounting. He played 6 singles and 3 doubles for the tennis team and recorded a 12-6 singles record and a 16-6 doubles record for the Cougars.

Elizabeth Spencer, our Assistant Tennis Professional, has been playing tennis since she was in 7th grade. She won the regional championship in #4 doubles her sophomore year. She made it to the semi-finals at the Division 4 state tennis tournament that year. She loves tennis because it is both physically and mentally challenging.
