Country Club of Jackson 2020 Tennis Program and Staff

We are extremely excited about the upcoming season. Tennis, as you know, is one of the most important country club sports. For many of us it is a lifetime sport.

In 2016 the hard courts were resurfaced.
Since they were resurfaced we have seen a dramatic upturn in court usage.

When they were resurfaced, we added lines for Pickle-ball. Pickle-ball is a great social racquet sport that can also be very competitive. If you haven't tried it yet give Charlie a call to show you the ins and outs! With interest, we'd love to add some social events around this fun game.

The United States Tennis Association has developed special programs that our Club is using to introduce kids to tennis particularly 10 and under kids. For those kids we have larger, softer balls that are easier to hit and use smaller courts.

We have lots of programs to meet everyone's needs!
To register for a program or to get private lessons please contact
Charlie Dobben (517-435-6375 or dobbencharles@gmail.com)
or Elizabeth Spencer (517-769-5032 or elizabethspencer@myjacs.org).

Charlie Dobben, one of our Tennis Professionals this summer, is an experienced player who has competed in high school, college and USTA matches. Charlie is a four-time Regional Champion and a three-time Conference Champion at Western High School, while also appearing in four State tournaments. This past Spring Charlie played for the Spring Arbor Tennis Team and, with a season cut short, recorded a combined record of 3-0.

Elizabeth Spencer is a returning Tennis Professional from the 2019 season. She has been playing tennis since she was in 7th grade. She won the Regional Championship in #4 Doubles her Sophomore year. She made it to the Semi-finals at the Division 4 State Tennis Tournament that year. She loves tennis, because it is both physically and mentally challenging.
