2022 JUNIOR GOLF

The school year is coming to an end, meaning kids activity season is ramping up at CJC! Junior golf begins on June 15, but we hope to see many of you on the course before instruction begins. We have the luxury of having 27 holes here and would love to see parents using the less busy 9 as a great opportunity to get your kids on the course. The more kids play and learn the many nuances of the game, the more they will enjoy success, improvement and the challenges of golf. **Wednesdays** will continue to be instructional clinic days for our junior program. Ages 9-17 will receive instruction from 9-10 a.m. and ages 6-8 from 10:30-11:30 a.m. All aspects from etiquette, putting, short game, iron play and woods will be covered. We strongly encourage using this time to establish strong, repeatable fundamentals. Learning these skills will help make golf a fun and healthy lifelong activity. If you have any questions or concerns, feel free to bring them up with any of the professional staff (Rob Beurmann, Henry Thompson and Patrick Humphrey).

2022 TENNIS PROGRAMS

We are extremely excited about the upcoming season. **Tennis**, as you know, is one of the most important country club sports. For many of us, it is a lifetime sport. Both hard courts have also added lines for **Pickleball**. Pickleball is a great social racquet sport that can also be very competitive. If you haven't tried it yet – give Connor a call to show you the ins and outs! With interest, we'd love to add some social events around this fun game.

The United States Tennis Association has developed the special programs that our Club is using to introduce kids to tennis - particularly ten and under kids. For those kids we have larger, softer balls that are easier to hit and smaller courts. We have lots of programs to meet anyone's needs. To register for a program or to get private lessons, just contact tennis pro, Connor Mogle.
