

2023 TENNIS PROGRAMS

We are extremely excited about the upcoming season. **Tennis**, as you know, is one of the most important country club sports. For many of us, it is a lifetime sport. Both hard courts have also added lines for **Pickleball**. Pickleball is a great social racquet sport that can also be very competitive. If you haven't tried it yet – give Caleb a call to show you the ins and outs! With interest, we'd love to add some social events around this fun game.

The United States Tennis Association has developed the special programs that our Club is using to introduce kids to tennis - particularly ten and under kids. For those kids we have larger, softer balls that are easier to hit and smaller courts. We have lots of programs to meet anyone's needs. To register for a program or to get private lessons, just contact tennis pro, Caleb Tripp.
