Dear Members,

As your 2023 Club President, it is my pleasure to address you today. I am honored to be working alongside our dedicated staff and fellow board members to ensure that the Country Club of Jackson continues to thrive. We are proud of our accomplishments in 2022, which include the renovation of our clubhouse, a strong membership base, an exceptional golf course (thanks to Ian & his team), and active member participation. Our goal is to maintain these positive trends and to continuously improve the club for the benefit of our valued members.

As we enter a new season, we have a full slate of exciting golf, social, and family events planned. Our golf shop, managed by Ron, is fully stocked and his staff is eager to kick off another great golf season. We encourage all members to come out and support YOUR club, have fun with friends and family, and make lasting memories.

I wanted to provide you with a few updates on upcoming improvements. We are pleased to announce that the bunker renovation project is scheduled to begin this fall just after Labor Day. Ian will keep members informed regularly on what to expect. We are thrilled to enhance our already exceptional golf course with this new improvement. Additionally, due to some tree damage, our course will feature some fresh looks this season. Ian and his staff are working diligently to prepare the course for play, and I have no doubt that it will be in top shape.

I would like to acknowledge the hard work and dedication of our manager, Rick. He has been working diligently to fill staffing shortages, and we are excited to welcome new faces to our team. Please bear with us as they undergo their learning curve, and please continue to show your appreciation to our long-term staff.

We have recently amended some of the Club's rules and regulations to clarify some inquiries received during the past year. Please take the time to review. A link is provided here for your convenience ([LINK](#)).

R&Rs are always available for review on the Club's website. The Board has asked Club management to ensure our rules and regulations are adhered to. Some of the more commonly overlooked R&R's have been; Members must check in with the Golf Shop prior to their round. Members are required to check their guests in with the golf shop prior to your round. Jackson residents are permitted three (3) total guest rounds per year (Club golf events are excluded from this count). Please adhere to the Club course dress requirements; No denim, Men's golf shirts must be tucked in, Hats must be forward facing everywhere on Club property, Hats are not permitted in the Fireside room, Pay your Club bill when received, the only alcohol allowed to be brought on property is wine in correlation with our wine program. All the Club Rules and Regulations have been reviewed carefully. Adhering to our R&Rs establishes a sense of decorum appropriate for our club. Thank you in advance for reviewing and ensuring our Club is a home away from home where we are proud to spend our time and bring guests.
